1/13/25 1.	Coding	30 minutes	AR, VC, ZG, AE	Learned how to add home tabs to all of the separate pages and started to code them. Also, looked over each others info and switched some things around.
1/14/25 2.	Coding	45 minutes	VC, ZG	Finished the codes for linking all the pages together along with the home buttons.
1/15/25 3.	Coding	20 minutes	AE	Tried to add an "email for reminders" part but revoked the decision and left it out.
1/16/25 4.	Coding	120 minutes	AR, ZG	Tried to fix some problems with the background and created a search bar, but some lines of code got screwed up, so we had to restart for a page.
1/18/25 5.	Coding/ Documentation	45 minutes	VC	Continued on some of the pages and fix up some design errors and then made sure we had places for our documentation in the reference page, which we had almost forgotten to add.
1/18/25 6.	Coding	45 minutes	AR	Fixed up some of the codes and moved around some elements to make the information fit in a more flattering way.
